

## Environmental Policy

NOTE Windsor considers protecting the environment equal to other management functions. To minimise our environmental impact concerning our activities, products and services we shall:-

- Comply with all applicable legal requirements and other requirements to which staff members subscribes to, which relate to our environmental aspects.
- Include the consideration of environmental issues in all business strategies and initiatives.
- Prevent pollution, reduce waste via recycling and ensure that our consumption of natural resources does not increase.
- Encourage environmental protection among our suppliers, subcontractors and contractors.
- Minimise significant adverse environmental impacts of new developments through the use of integrated management processes and planning.
- Ensure that all of our employees understand and conform to our environmental Policy.
- Continually improve our environmental management system to enhance our environmental performance.
- Wherever possible, purchase products and services that minimise damage to the environment.
- Maintain certification to ISO14001.
