Perfect Attendance Bonus	Annual bonus for “perfect” attendance

Who are we looking for:

Reporting to the Surface Mount Supervisor you will be required to support production with surface mount rework, modifications, hand builds and any other repairs.

This includes using re-work equipment, X-Ray & inspection equipment, and soldering irons for fine pitched components.

Occasionally as a Technician you may be required to work in other areas soldering or assembling production units as needed.

Who should apply:

Candidates will need to demonstrate:

- Behaviors and attitudes that meet the needs of our ethos
- Competent soldering skills – down to 0201
- Proven experience in surface mount rework
- Ability to read and interpret Drawings, Diagrams and Bills of Materials
- Attention to detail & quality
- Good grasp of English Language (GCSE Grade 5/D or equivalent)
- Good computer skills
- Ability to communicate at all levels
- Easy commute to Windsor (within 30 mins)

How to apply:

Either:

Email us at jobs.windsor@note-ems.com with the following attachments:

- a completed application form
- an up to date CV
- a specific covering letter making it clear why you are right for this position.
